The Wellsprings Vision

Wellsprings, now Wellsprings Village, a non-profit organization, was founded in 1988 in response to the need for long-term services for abused and homeless women. Focusing on education as the foundation of its programs, these women get back on their feet, learn life skills, earn a college degree or skills training, and receive the necessary counseling to break the cycle of poverty, family violence, or substance abuse. It is this proven approach that enables these women to ultimately become economically and emotionally self-sustaining, contributing members of society. They reside in six group homes on our property in Houston.
